CURRICULUM VITAE

LICENSES:

Louisiana License Number 685
Clinical Psychology
Specialty Designation in Neuropsychology

Texas License Number 32776
Licensed Psychologist

BOARD CERTIFICATION:

Diplomate, American Board of Professional Neuropsychology # 394

FACULTY POSITIONS:

Clinical Assistant Professor - Department of Psychiatry and Neurology, Tulane Medical School, New Orleans, Louisiana. October 1996 to present.

Clinical Assistant Professor - Department of Psychology, University of New Orleans, New Orleans, Louisiana. January 1996 to present.

Clinical Assistant Professor of Medicine – Department of Internal Medicine, School of Medicine, LSU Health Sciences Center in New Orleans, Louisiana

HOSPITAL AFFILIATIONS:

East Jefferson General Hospital
Touro Infirmary

EDUCATION:

Doctorate in Clinical Psychology (Health, 1992) with a minor in General Business Management/Organizational Behavior

University of Miami
Coral Gables, Florida

M. A. in Psychology/Behavioral Medicine (1983)

University of Tennessee
Knoxville, Tennessee

B. A. in Psychology (1980)

St. Joseph's University
Philadelphia, Pennsylvania

PROFESSIONAL EXPERIENCE:

April 1994 Neuropsychologist
to present: Jefferson Neurobehavioral Group

Duties:

Large Neuropsychology practice (7 doctors, 7 technicians) provides neuropsychology services to numerous area hospitals rehabilitation programs as well as forensic clinical neuropsychology and clinical psychology services in an outpatient setting.

September 1999
to present: Clinical Psychologist
Medical Musculoskeletal Institute
Metairie, Louisiana

Duties:

Psychological assessment, psychotherapy, and consultation with the treatment team on planning and direct patient care.

Cases:

Patients with work-related injuries with primary complaints of pain (e.g., back, neck, etc.).

January 2000 Director of Neuropsychology
to November 2005: Bancroft NeuroHealth
New Orleans and Covington, Louisiana

Duties:

Neuropsychological assessment and consultation with treatment team on treatment planning and direct patient care.

Cases:

Brain injured adults in a residential rehabilitation facility.

**April 1993
to May 2002:**

Neuropsychologist
Center for Neurological Rehabilitation
East Jefferson General Hospital-Outpatient Facility
Metairie, Louisiana

Duties:

Neuropsychological and psychological assessment, psychotherapy, consultation with treatment team on treatment planning and direct patient care.

Cases:

Patients presenting with stroke, closed head injuries, and chronic pain; patients in cardiac and orthopedic rehabilitation treatment.

**September 1988
to present:**

Neuropsychologist
RehabCare Rehabilitation Unit
East Jefferson General Hospital
Metairie, Louisiana

Duties:

Neuropsychological and psychological assessment, psychotherapy, group therapy and Behavioral Medicine.

Cases:

Patients presenting with stroke, closed head injuries, chronic pain, static and progressive dementias; patients in cardiac and orthopedic rehabilitation treatment.

**October 1987
to 1994:**

Clinical Psychologist/Neuropsychologist
Private Clinical Psychology Practice
Metairie, Louisiana

Duties:

Neuropsychological and psychological testing, individual, group and family therapy, Behavioral Medicine and Biofeedback.

Cases:

Patients with medical and psychological disorders (e.g., chronic pain, depression, headache, Borderline Personality Disorder, etc.); patients with a variety of psychological problems including phobias, depression, anxiety disorders, family problems, marital problems.

**October 1987
to 1994:**

Consultant
Department of Psychology
DePaul Psychiatric Hospital
New Orleans, Louisiana

Duties:

Neuropsychological assessment and psychotherapy.

Cases:

A broad range of patients (adolescent to geriatric) referred from psychiatrists at this inpatient psychiatric hospital.

**September 1991
to September 1992:**

Psychological/Neuropsychological Consultant
Chemical Dependency Unit
East Jefferson General Hospital
Metairie, Louisiana

Duties:

Neuropsychological and psychological assessment, psychological interventions.

Cases:

In patients presenting with problems with drug or alcohol abuse and patients with cognitive problems from chronic substance abuse.

**September 1987
to September 1988:**

Intern, Clinical Psychology and
Clinical Neuropsychology
Psychology Service
Veterans Administration Medical Center
New Orleans, Louisiana

Duties:

Neuropsychological assessment and application of a variety of psychological interventions as recommended by I. N. S. (50% neuropsychology). Evaluation and treatment of patients with substance abuse problems.

Cases:

Neurologically impaired patients from the neurology, neurosurgery and psychiatry services. Chemical Dependency Unit patients with substance abuse problems.

**January 1986
to August 1987:**

Co-director/Therapist
Division of Biofeedback and Behavioral Medicine
Department of Child Neurology
Miami Children's Hospital
Miami, Florida
Consulting Psychologist: Barbara Goldman, Ph.D.

Duties:

Hired to initiate and implement a Behavioral Medicine service. This position required designing the facility, purchasing equipment, designing treatment protocols, inservicing physicians and staff on the role of psychology/behavioral medicine with medical patients, writing public relations-related materials, evaluating patients and families, and treatment which included family therapy, insight-oriented psychotherapy, behavior therapies and Biofeedback.

Cases:

Patients (adults and children) with a variety of presenting complaints including: headache, angina, Tourette's Syndrome, movement disorders, epilepsy, asthma, diabetes, Attention Deficit Disorder, Prader-Willi Syndrome, rheumatoid arthritis (pain), pseudoseizures, and conversion paralysis.

**December 1983
to March 1987:**

Therapist
Behavioral Medicine Institute
Miami, Florida

Duties:

Behavioral medicine, biofeedback, behavior therapy, cognitive-behavioral therapy, psychotherapy, family therapy, psychophysiological assessments.

Cases:

Patients with a variety of medical problems including headache, chronic pain, spastic colon, peptic ulcer, hypertension, enuresis, hyperhidrosis; patients with medical and psychological disorders (e.g., chronic pain, depression, headache and Borderline personality

disorder); patients with a variety of psychological problems including phobias, depression, anxiety disorders, family problems and marital problems.

**September 1985
to May 1986:** Therapist
Miami Mental Health Center
Miami, Florida

Duties:

Psychological assessments, intake interviews, psychotherapy, family therapy and couple's therapy.

Cases:

Patients presenting with depression with suicidal risk, Borderline Personality Disorder, adolescents with behavior problems including violent/aggressive behavior, physically abused spouses and sexually abused adolescents.

**November 1985
to August 1987:** Therapist
Clinical Provider Organization
Margate, Florida

Duties:

Psychological evaluations, psychotherapy, Behavioral Medicine, substance-abuse group therapy, for Greenbriar Drug Rehab Center; consulting with South Florida EAP's such as Eastern Airlines.

Cases:

Patients referred primarily from local Employee Assistance Programs with medical and stress-related symptoms, substance abuse problems, family problems, depression, and Borderline Personality Disorder.

**May 1984
to March 1985:** Therapist
Psychological Services Center
University of Miami
Coral Gables, Florida

Duties:

Psychological assessment, psychotherapy, including psychoanalytic psychotherapy, existential, cognitive-behavioral and behavioral therapies.

Cases:

Adults and children with a variety of disorders including headache, chronic pain, Temporomandibular Joint Dysfunction, gastrointestinal problems, epilepsy, learning disabilities, Attention Deficit Disorder, cardiac arrhythmias, hypertension and Raynaud's disease.

2004

Curtis, K., Greve, K., Brasseux, R., **Bianchini, K.**, Thompson, L., & Brennan, A. (November, 2004). Sensitivity and Specificity of CVLT Indicators to Malingered Neurocognitive Dysfunction in traumatic brain injury. *Archives of Clinical Neuropsychology*, 19, 856-857. Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Greve, K., **Bianchini, K.**, Love, J., Heinly, M., Doane, B., Curtis, K., Uribe, E., Thompson, L., & Brasseux, R. (November, 2004). Sensitivity and Specificity of MMPI-2 Validity Scales and Indicators to Malingered Neurocognitive Dysfunction in traumatic brain injury. *Archives of Clinical Neuropsychology*, 19, 861. Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Heinly, M., Greve, K., Love, J., Brennan, A., & **Bianchini, K.** (November, 2004). The use of WAIS Digit Span markers in the detection of Malingered Neurocognitive Dysfunction in traumatic brain injury. *Archives of Clinical Neuropsychology*, 19, 861-862. Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Uribe, E., Greve, K., Larrabee, G., & **Bianchini, K.** (November, 2004). Should occupation level be included in the estimation of pre-morbid intelligence? *Archives of Clinical Neuropsychology*, 19, 888-889. Poster presented at the 24th annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Etherton, J. L., **Bianchini, K. J.**, Greve, K. W., Crapanzano, A., Foster, A., & Zuchowski, M. (April, 2004). *Reliable Digit Span scores are unaffected by pain: Implications for clinical use.* Poster presented at the 56th Annual Convention of the Louisiana Psychological Association, Baton Rouge, LA.

Doane, B. M., Greve, K. W., & **Bianchini, K. J.** (February, 2004). *Agreement between the standard and abbreviated forms of the Portland Digit Recognition Test.* Poster presented at the 32nd Annual Meeting of the International Neuropsychological Society, Baltimore, MD.

2003

Greve, K. W., **Bianchini, K. J.**, Brennan, A., Love, J. M., Doane, B. M. (October, 2003). Magnitude of potential compensation and failure rate on symptom validity tests. *Archives of Clinical Neuropsychology*, 18, 784. Poster presented 23rd annual meeting of the National Academy of Neuropsychology, Dallas, TX.

Greve, K. W. & **Bianchini, K. J.** (October, 2003). Estimating the Specificity and Sensitivity of malingering indicators. *Archives of Clinical Neuropsychology*, 18, 783. Poster presented 23rd annual meeting of the National Academy of Neuropsychology, Dallas, TX.

Greve, K. W., Stickle, T. R., Love, J. M., Brennan, A., Heinly, M. T., **Bianchini, K. J.**, & Stanford, M. S. (February, 2003). Confirmatory factor analysis of the Wisconsin Card Sorting Test using non-overlapping variables. *Journal of the International Neuropsychological Society*, 9, 292. Poster presented at the 31st Annual Meeting of the International Neuropsychological Society, Honolulu, HI.

Greve, K. W., **Bianchini, K. J.**, & Irvin, T. R. (February, 2003). Malingering following neurotoxic exposure. *Journal of the International Neuropsychological Society*, 9, 283. Poster presented at the 31st Annual Meeting of the International Neuropsychological Society, Honolulu, HI.

2002

Greve, K., **Bianchini, K.**, & Etherton, J. (November, 2002). *Detection of neurocognitive malingering in litigating pain patients*. Paper presented at the 36th Annual Meeting of the Association for Advancement of Behavior Therapy in Reno, NV.

Greve, K. W., Mathias, C. W., **Bianchini, K. B.**, & Houston, R. J. (February, 2002). Malingering on the WAIS: Validation of Mittenberg's approach to detection. *Journal of the International Neuropsychological Society*, 8, 247. Presented at the 30th Annual Meeting of the International Neuropsychological Society, Toronto, ON, Canada.

Heinly, M. T., Greve, K. W., Adams, D., & **Bianchini, K. B.** (February, 2002). Emotion processing in a patient with pericallosal artery infarct. *Journal of the International Neuropsychological Society*, 8, 238. Presented at the 30th Annual Meeting of the International Neuropsychological Society, Toronto, ON, Canada.

Greve, K. W., Stickle, T. R., Love, J. M., Heinly, M. T., Brennan, A., Vitone, N., **Bianchini, K. J.**, & Stanford, M. S. (February, 2002). Confirmatory factor analysis of the Wisconsin Card Sorting Test. *Journal of the International Neuropsychological Society*, 8, 153. Presented at the 30th Annual Meeting of the International Neuropsychological Society, Toronto, ON, Canada.

2001

Bianchini, K. J. & Greve, K. W. (2001, November). *Psychological aspects of malingering: the pain patient*. Presentation at the 2001 Annual Key Concepts for Successful Return to Work, New Orleans, LA. [invited]

Houston, R. J., Greve, K. W., Adams, D., Stanford, M., Rabito, F., **Bianchini, K. J.**, & Clancy, A. (2001, February). Neurobehavioral consequences of St. Louis encephalitis infection: a case report. *Journal of the International Neuropsychological Society*, 7, 173. Presented at the 29th Annual Meeting of the International Neuropsychological Society, Chicago, IL.

2000

Mittenberg, W., Theroux, S., Rayls, K., Aguila-Puentes, G., **Bianchini, K.**, & Greve, K. (2000, November). Identification of malingered head injury on the WAIS-3. *Archives of Clinical Neuropsychology*, 15, 845-846. Presented at the 19th Annual Conference of the National Academy of Neuropsychology, Orlando, FL.

Houston, R. J., Greve, K. W., Stanford, M. S., Adams, D., & **Bianchini, K. J.** (2000, November). *Cerebellar patients exhibit lateralized cognitive deficits*. Presented at the Annual Meeting of the Society for Neuroscience, New Orleans, LA.

South, M. B., Greve, K. W., Lindberg, R., **Bianchini, K. J.**, & Adams, D. (2000, February). The Clock Drawing Test: The inter-rater reliability of three scoring systems in stroke. *Journal of the International Neuropsychological Society*, 6, 2004. Presented at the 28th Annual Meeting of the International Neuropsychological Society, Denver, CO.

1999

Lindberg, R., Greve, K. W., **Bianchini, K. J.**, & Adams, D. (1999, November). Construct validity and predictive value of the Hooper Visual Organization Test in stroke rehabilitation. *Archives of Clinical Neuropsychology*, 14, 732-733. Presented at the 19th Annual Conference of the National Academy of Neuropsychology, San Antonio, Texas.

1998

Greve, K. W., Hartley, S. M., Lindberg, R., **Bianchini, K. J.**, & Adams, D. (1998, November). The factor Structure of the Wisconsin Card Sorting Test in a stroke rehabilitation sample. *Archives of Clinical Neuropsychology*, 14, 76-77. Presented at the 18th Annual Conference of the National Academy of Neuropsychology, Washington, D.C.

CURRENT RESEARCH INTERESTS:

Neuropsychological Outcome from Stroke and Brain Injury
Neurotoxicology
Neuropsychological Evaluation
Symptom Validity

AWARDS:

1976-1980 Presidential Scholarship (Academic Achievement), SLU
1980-1983 Research and Teaching Assistantships, University of Tennessee
1984-1986 Research and Teaching Assistantships, University of Miami

ADVISOR:

Served as agent of corporation and advisor to CEO and COO for RehabCare, Inc. on strategic acquisition projects.

PROFESSIONAL AFFILIATIONS:

American Psychological Association
Louisiana Psychological Association
National Academy of Neuropsychology
International Neuropsychological Society

PERSONAL:

Born: June 28, 1958
Address: 71 English Turn Drive
New Orleans, Louisiana 70131

Home Phone: (504) 392-4841
Work Phone: (504) 780-1702
Cell: (504) 495-8188
