

Kevin J. Bianchini, PhD, ABPN

Dr. Kevin Bianchini is a board certified Neuropsychologist and Clinical Psychologist. He is licensed in Louisiana and Texas, and in practice since 1993.

Dr. Bianchini was Director of Neuropsychology for Bancroft NeuroHealth, a residential brain injury rehabilitation facility in Louisiana for 6 years. He has remained involved in the rehabilitation of patients with acquired brain injury and pain throughout his career.

Actively involved in research, Dr. Bianchini has published more than 50 articles in peer-reviewed professional journals on psychological factors and work related injuries, neurological rehabilitation, brain damage, neuropsychological assessment and symptom validity assessment.

He has a PhD in Clinical Psychology from University of Miami and a Master's Degree from University of Tennessee. He is Diplomate of the American Board of Professional Neuropsychology and holds adjunct faculty appointments at Tulane University Medical School, Department of Psychiatry and Neurology, and at the University of New Orleans, Department of Psychology. He has staff privileges at a number of area hospitals including Touro Infirmary where he consults the neurological rehabilitation team.

Dr. Bianchini is the managing partner of the Jefferson Neurobehavioral Group, which has offices throughout Louisiana, Texas and along the Gulf Coast.

Dr. Bianchini has testified as an expert witness in Clinical Psychology and Neuropsychology in state and federal courts in cases on brain injury, toxic exposure, pain and psychological/psychiatric disorders.
